THE SILVER PLATFORM.

The silver wing of the Republican State Convention unanimously adopted the following platform:

The convention endorses and adopts the platform of the Republican State Convention, held at Carson City on the 30 of April last, as follows:

Resolved, That we condemn the Republican party of the Eastern states and the administration of President Harrison, insofar as they have failed to accomplish the complete removal of silver, and to enact laws providing for the free and unrestricted coinage of that metal.

Resolved, That the restoration of silver to the place it occupied previous to the passage of the Mint Act of 1873, is essential to the prosperity of the country and paramount to all other political considerations. The legislation which robbed silver of its money functions and denied to the owner of silver the right to have the same coined into money upon the same terms and conditions which apply to the coinage of gold, reduced the money of ultimate redemption or payment, about one-half, and enabled the owners of money and obligations payable in money to monopolize the coin of the commercial world.

Resolved, That the people of Nevada are in favor of the coinage of silver upon the same conditions which apply to the coinage of gold, and are opposed to elevating any person to office who is not known to be unequivocally in favor of creating the Mints of the United States to the free and unlimited coinage of silver.

In view of the unshakable attitude of President Harrison to the paramount issue of the re-monetization of silver, it is convenient to make no nominations for Presidential electors and the State Central Committee to be appointed by this convention shall have no authority to put in nomination electors.

The Convention cordially endorses the vigorous efforts of our Senators and Representatives to secure the free and unlimited coinage of silver, and the educational work that they have done in presenting the true issue between the money power and the bondholders and laborers and producers of wealth.

And we favor the continuation of agitation and education for the free and unlimited coinage of silver at the present rate of 16 to 1, for the benefit of the people in general, farmers, laborers and mechanics.

The citizens of Nevada, representatives of the various silver leagues, irrespective of party affiliations, in convention assembled, do set forth the following declaration of principle:

First. We demand the full re-monetization of silver and the free and unlimited coinage thereof, at the present ratio of 16 to 1.

Second. We are unflinchingly and unalterably opposed to the National Republican and Democratic parties on the question of the re-coinage of silver and we denounce the action of their recent national conventions as inimical to the material interests of the people of the United States and especially to those of Nevada and all the other mining states and territories, and we therefore repudiate the nominees of their convention.

Third. We pledge the nominees of this convention for Presidential electors to support no man for President or Vice-President of the United States who is not unequivocally in favor of free coinage as defined by this convention, to rescuse the silver leagues of Nevada. If Convention is enabled, the right of directing said Presidential electors for whom to cast their votes, should contingencies require. GEORGE S. NIXON, Chairman State Committee of Silver party.
